

IMPLEMENTATION PLAN

A. **EMERGENCY IMPLEMENTATION PROCEDURE:** In the event an evacuation is directed by the Incident Commander and time does not permit personal notification of affected person, the following procedure will be utilized.

Local radio and television stations, local PSAP, local NWS outlets (Bismarck, Grand Forks, and Williston) and Reverse 911 (where available).

B. **OBSTRUCTION RESPONSE PROCEDURE:** The recommended response for persons refusing to cooperate with an evacuation directive is:

By order of the Governor of North Dakota, through the North Dakota Highway Patrol (Lead Functional Authority) to local Law Enforcement, persons refusing will be compelled to cooperate.

C. **TRAFFIC PLAN:**

Routes and Destinations:

Primary Route: Out of Town Evacuation	Bowbells to Flaxton or Lignite – W. on US Hwy 52
	Bowbells to Powers Lake- S. on ND Hwy 8 and E. on ND Hwy 5
	Lignite and Flaxton to Bowbells – E. on US Hwy 52
	Lignite to Powers Lake – S. on Burke Co. Rd. 11
	Powers Lake to Lignite – N. on Burke Co. Rd. 11
	Powers Lake to Bowbells – E. on ND Hwy.50 and N on ND Hwy 8
	Columbus to Lignite or Flaxton and Bowbells – E. on ND Hwy 5
	Portal to Lignite – S. on US Hwy 52
In-Town Evacuation	Most direct/safe route to nearest Fire hall or closest local shelter.
